# Happy Plants!

## Read the passage, then mark the correct answer.

Maya loved planting! Every morning, she goes outside with her watering can. She carefully pours water on her green tomatoes and peppers. Maya works hard, always remembering her grandpa's saying: "Happy plants make happy food!" Soon, the vegetables grow bigger and juicier. Maya gave one big, red tomato to her grandma, who made the best spaghetti sauce around!

1. Who loved planting in the story?
   - o a) Maya
   - o b) Her grandma
   - o c) Her grandpa
   - o d) The mailman

2. What did Maya use to water her plants?
