ANSWER QUESTIONS

About the Story

Two friends, Jason and Lauren were on a walk. They wanted to buy a treat from a store that was near. Jason said, "Let's go, it's not too far!" They ran to pull the door.

They were both very excited about the treats inside. Jason said loudly "What should we buy? Lauren replied "Why not ice cream for us? We can grab some then go wash our hands and find a place to sit!"

Jason laughed and both of them went to the aisle. Lauren said, "I think this is the best, because it's very sweet and I'm sure it will make us both smile!"

Jason nodded and they both ran to pay. They thanked the cashier and ran off into the night. They told each other stories on the way home and had a great time. The weather was a bit cold but they didn't mind. They could not wait to do it all over again the next night.
