# Buzz the Bee

Read the short story and answer the questions

Buzz the bee loved to fly. He buzzed from flower to flower, collecting sweet nectar. One sunny day, Buzz found a big, red flower. It was the biggest flower he had ever seen! Buzz was very happy. He drank lots of nectar from the flower.

When Buzz was finished, he wanted to go home. But he couldn't find his hive! Buzz looked high and low. He looked in a big tree, a small bush, and even a red birdhouse. But no hive! Buzz was scared. Just then, Buzz saw a bright light. It was his hive! The hive was on a yellow house. Buzz was so happy! He flew inside and told all his friends about the big red flower.
