Billy and his Red Wagon

Read the short story and answer the questions

Billy had a little red wagon. It was shiny and red. He liked to put toys in it. One day, Billy put his teddy bear, his ball, and his blocks in the wagon. He pulled it to the park.

At the park, Billy saw other children. They were playing on the swings. Billy wanted to play too. He left his wagon under a big tree. When he was done playing, Billy looked for his wagon. It was gone! Billy was sad.

Then, he saw his wagon behind a slide. A little puppy was pulling it. Billy laughed. He thanked the puppy and put his toys back in the wagon.
