

Name _____

Date _____

A Day at School

Read the short story and answer the questions

Lily loved going to school. She liked to play with her friends and learn new things. Today was special because they were going to the library.

The library was big and quiet. Lily picked out a book with colorful pictures. She sat down and started to read. After reading, she drew a picture of her favorite part.

When it was time to go back to the classroom, Lily was sad to leave the library. She wanted to read more books. But she was excited to tell her friends about the book she read.
