# Hannah's Mall Adventure

Read the short story and answer the questions

Hannah loved spending time with her friends, and she also loved shopping. So, when her friends, Emily and Olivia, invited her to go to the mall on a Saturday, she was thrilled. They met up at the food court for lunch and then headed off to explore the shops.

First, they went to the clothing store. Hannah tried on a cute pair of jeans and a trendy t-shirt. Her friends thought they looked great on her. Hannah decided to buy the outfit.

Next, they went to the accessory store. Hannah found a beautiful necklace with a heart pendant. She loved the way it looked on her. She decided to buy it.

Emily, who had a passion for makeup, wandered over to the cosmetics section. She tested out a new lipstick shade and decided to buy it. Olivia, on the other hand, was more interested in the shoe store. She found a pair of stylish sneakers that she couldn't resist.

After the accessory store, they went to the bookstore. Hannah found a book about animals and a book about space. She couldn't wait to read them. Emily, who loved to cook, found a cookbook with delicious recipes. Olivia, who was always looking for new puzzles, found a challenging crossword puzzle book. When it was time to go home, Hannah was tired but happy. She had had a great day shopping with her friends. As they walked out of the mall, Hannah thanked her friends for inviting her.
