Jason's Fishing Adventure

Read the short story and answer the questions

Jason loved fishing. He spent hours at the local pond, casting his line and hoping for a bite. One sunny afternoon, Jason invited his friends, Chris and Zack, to go fishing with him on his kayak.

Chris was a skilled fisherman. He knew all the best spots to cast his line and how to choose the right bait. Zack was a patient fisherman. He was always willing to wait for the perfect moment to strike.

Jason, Chris, and Zack loaded their kayaks onto their cars and drove to the nearby lake. They launched their kayaks into the water and paddled out to their favorite fishing spot.

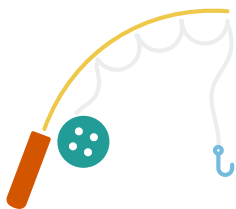

They spent the afternoon casting their lines and enjoying the peace and quiet of the lake. After a while, Jason felt a tug on his line. He reeled it in and was surprised to see a large bass wriggling on the end of his hook.

Chris and Zack were amazed. They had never seen such a big fish caught from a kayak before. Jason carefully removed the fish from the hook and released it back into the lake.

A little later, Chris felt a tug on his line. He reeled it in and caught a small catfish. Zack was also lucky. He caught a couple of sunfish.

The boys spent the rest of the afternoon fishing and enjoying the beautiful scenery. They saw ducks swimming in the water and birds flying overhead. When it was time to go home, they were tired but happy.

As they paddled back to shore, Jason, Chris, and Zack talked about their fishing adventure. They agreed that it had been one of the best days of their lives. They couldn't wait to go fishing again soon.
