Cody and Nick's Ski Vacation

Read the short story and answer the questions

Cody and Nick were best friends who loved to ski. They lived in a warm state, but they dreamed of skiing in the mountains. One winter, their parents took them on a ski vacation to Vermont.

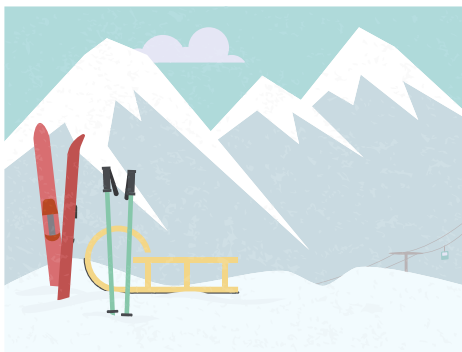

When they arrived in Vermont, they were amazed by the snow-covered mountains. The weather was perfect for skiing, with clear skies and cold temperatures.

Cody and Nick rented skis and boots and took lessons from a professional ski instructor. They learned how to turn, stop, and control their speed. After a few lessons, they were ready to hit the slopes.

Cody and Nick spent their days skiing down the mountains. They loved the thrill of speeding down the slopes and the feeling of the wind in their faces. They also enjoyed stopping at the lodge for hot chocolate and snacks.

One day, Cody and Nick decided to try snowboarding. They rented snowboards and took a lesson from a snowboarding instructor. It was harder than skiing, but they both had a lot of fun.

After a week of skiing and snowboarding, Cody and Nick were ready to go home. They were sad to leave Vermont, but they knew they would never forget their amazing ski vacation.
